# **Dribble Academy Centre for Development**

Dribble Academy stands for excellence in basketball training. It's basketball training like you've never seen or experienced in India before.

The program is led by:

- Pradyot Voleti; who is trained by USA's Leading Skill Development trainer Canon Baker in Florida. He was personally trained by Cody Toppert, a Cornell Legend and former assistant coach of the Phoenix Suns.
- Man Singh; who is a former Indian national player (U-19 India Captain) and NIS certified coach. He comes from a long line of basketball players who represented states and India at various competitions.

## **Mission**

To be the best institute for the holistic development of basketball players in India.

DACoE aims to have atleast 5 players in the foreign leagues by 2025 and atleast 1 player in the NBA by 2030.

## **Holistic development through basketball**

Dribble Academy focuses not only on the development of basketball skill set of its students but also their academic and socio-emotional acumen. With a strong influence from the learnings of Dribble Academy Foundation, Dribble Academy will adopt a community based approach to player development involving their parents, mentors and localities.

## **State of the art and most updated basketball pedagogy**

DACoE uses only the most advanced and tried-and-tested coaching techniques by the coaching legends in America and Europe to ensure faster player development and prolonged basketball career.

## #INITIATIVE

While the right kind of training is an important aspect of the development of any sport, another significant requisite is an apt platform to not just showcase one's skill but also make a lucrative career out of it. The dire need to address the challenges in the advancement of basketball coupled with the recognition of the immense potential that lies in Rajasthan in leading the way ahead, both at amateur and professional levels, led two passionate basketball trainers - Man Singh Shrivastava and Pradyot Vohra - to team up and scout as well as train young talents from the state.

## Success stories

Dinesh and Sachin are our superstars. Both of them joined DAF when they were 9-10 years old and did not let anything hamper their pursuit for excellence in basketball. Both of them studied in lower income private school in Noida which provided no exposure to sports. They took to the game like fish to water.

Dinesh and Sachin represented India in the Jr NBA World Championship in Orlando, USA. They also secured 100% scholarship to in St. Claret Pre-university College in Bangalore. They continue to inspire all of us with their determination and hardwork.

Urmila was one of the first girls to learn Basketball in Gejha village. She has been playing basketball for the past 8 years. She is part of a six member family where her mother was the sole earner of the family, working as a housemaid.

Kajal has been appointed as a coach in Gejha village, Noida. She was a student coach for the last one year before getting promoted as a full time coach for Dribble Academy. She is now inspiring many boys and girls to play sports for a healthy lifestyle, and to make a living out of the thing you love the most.

## Success stories

Kapil comes from a family of five where his father is the sole earner. With no exposure to any organised sports in his school or his neighbourhood, he picked up basketball at the age of 13 when he was one of the first five children to enrol in the Dribble Academy's coaching programme in Gejha.

Basketball not only gave him a safe space to be himself but also an avenue to pursue his dreams through hard work, resilience and discipline. With the support of HCL Foundation, DAF was able to support his athletic and academic requirements, enabling him to secure a full scholarship to study at Suguna College of Arts and Commerce in Coimbatore, Tamil Nadu, in 2020. Kapil hopes to inspire more children to play basketball and wants to be a basketball coach post his studies.

Shivani joined DAF when she was 10 years old. She comes from a family of seven where her father is the sole earner. She imbibed the basketball fundamentals from the DAF courts like fish in water. Based on her skills, she was admitted to Moti Lal Nehru School of Sports (Rai) where she got the opportunity to play at prestigious tournaments such as Woodstock Invitational, zonals and state.

This year, Shivani, through her excellence in academics and basketball, was accepted into Ramjas College (University of Delhi) to pursue Economic (Hons). She is not only the first DAF student but also one of very few from the whole of Gejha to get admitted to Delhi University, inspiring many in the region. Shivani aims to play for India one day.
